Report of County Commissioners

To The Citizens of Coos County:

Once again we are pleased to bring to you the annual Report of the business affairs of Coos County. This year we have a considerable surplus of unexpended funds from the 1967 Budget. The economy of the County has been good, and this is reflected in the decreased costs of "Poor Off Farm."

We wish we could forecast an equally bright picture for 1968, but we are faced with two situations which seem certain to increase the Budget.

The first is a change effected by the Legislature in the so-called "settlement laws" which will increase County Welfare costs.

The second situation is due to the fact that the present hospital and alms house are operating on a temporary certification. A start has been made toward the construction of a hospital in the Colebrook area. When this project is completed the County hospital, as such, will be phased out.

Our long range plan is to operate as an alms house and an approved Medicare facility. At present, there are only two places in the County which are approved for Medicare. More are badly needed to give our Senior Citizens the care to which they are entitled. To become an approved Medicare facility certain standards must be met. To meet these standards the Commissioners recommend that the money be raised by short term notes, rather than by long term bonded indebtedness. All possible avenues for Federal aid for the above project have been explored, to no avail. We especially want to thank the RAD Committee for their diligent efforts in behalf of this project.

We wish to express our appreciation to the County Delegation and all County personnel for their splendid co-operation.

Respectfully submitted,

RENE BERGERON, Chairman
NORMAN BRUNGOT
DANA H. LEE

III. I wish to take this opportunity to express my appreciation for the capable assistance and the cooperation received from Coos County Sheriff Emile Martineau and his Deputies; from the Division of State Police, and more particularly from Station F, commanded by Lieutenant Henry Genest; and from the police departments of each and every community in Coos County. Their hard work and sincere dedication to duty have protected and will continue to protect the lives and property of the citizens of this County.

The responsibilities placed by the citizens upon their County Attorney are a challenge from which much satisfaction is reaped. I look forward to serving the citizens of this County for the coming year as I have done during the year just elapsed.

Respectfully submitted,
